

Make a real difference: Corporate Volunteering with Bath Cats and Dogs Home

Who we are

Bath Cats and Dogs Home rescues, rehabilitates and re-homes unwanted, abandoned and in some cases abused pets from Bath, Somerset and Wiltshire. Every year over 1,400 cats, dogs and small animals need our help. We are an independent charity and it costs £1.4 million each year to keep our doors open and ready to help pets in need.

Bath Cats and Dogs Home Corporate Volunteering Programme

Volunteering at Bath Cats and Dogs Home is a great way for local companies to get involved with our work whilst bringing together colleagues from across the business for the perfect team day out. Plus a day spent with us can leave staff feeling motivated and inspired upon return to work.

"It was one of the best volunteering experiences we ever had, giving a great insight into what the charity does and the difference it makes to our four-legged friends"

When

Our corporate volunteering programme runs from March to September from 10am – 4pm, on Thursdays and Fridays

What's involved

A typical day volunteering at Bath Cats and Dogs Home involves

- A short introduction to Bath Cats and Dogs Home, welcome video and tour of the Home
- Volunteering on a specific project e.g. painting, gardening, maintaining and updating animal accommodation and play areas
- Break for lunch
- Opportunity to meet and spend time socialising our dogs and cats

Who

We can accommodate up to 20 people per company per day (if your requirements exceed this please call to discuss). Please note the minimum group size is 5 people.

Cost

We charge £25 plus VAT per person. This helps to cover the cost of the materials used on the day and our staff resource who support your team on the day.

Included in this price is tea and coffee throughout the day, biscuits on arrival, meeting space for the day, free parking for up to 10 cars, dedicated support throughout the day from Bath Cats and Dogs Home staff and a certificate for each person taking part.

We can also provide lunch at a cost of £5 plus VAT per person, further details available upon request.
