## Entry Fee

The entry fee is £15 per dog. There is no fee for human companions taking part with a dog. If you are entering more than one dog it is £15 for the first dog, and £5 thereafter for each dog taking part e.g. cost for one dog: £15, cost for two dogs: £20, cost for three dogs: £25 etc....

Entering without a dog? There is a small £5 fee for humans entering without a dog.

The non-refundable entry fee is to help cover the cost of resources for the Wag Walk. To help rescue dogs even more why not get your dog to raise sponsorship? We will send them their own personalised sponsor form to take round to their doggie friends and they'll be changing the lives of less fortunate canines and taking steps for rescue pets

## Sponsorship options

**My dog would like to raise sponsorship.** Please send me a sponsor form

*There is no sponsorship target and every pound raised will make a difference to the life of an unwanted dog. Just £5 could feed 3 dogs in our care for a whole week*

**I don't want to raise sponsorship but would like to make a one off donation to Bath Cats and Dogs Home in addition to my registration fee, to help support local dogs in need**

*Thank you so much for your extra support. Please make your donation below*

## Terms and Conditions

### Who can take part?

The Wag Walk is a mass participation, family friendly event and we anticipate over 250 dogs taking part. Therefore we ask that only friendly and well behaved dogs who will enjoy taking part in the event with other dogs, people and children, sign up. Please be advised that there may also be livestock on parts of the route.

Dogs must remain on leads during the walk and humans are responsible for their dogs at all times. Humans must pick up after their dogs (please bring poo bags with you) and keep their dogs hydrated. There will be water stops on route, however we recommend you bring your own bowl and water also.

### Signing up

All doggie entrants must get a human to enter them into the Wag Walk online or complete a paper registration form. All paper forms must be submitted by Monday 6th May 2019. We cannot accept entries on the day.

All dogs must be joined by a human for the Wag Walk. Accompanying humans must be over 18 and responsible for their dog at all times. Children are welcome but must be accompanied by an adult.

There are two routes to choose from, 2 miles and 5 miles. The 2 mile walk is flat and across grass (which can be uneven in places). It is therefore suitable for vaccinated puppies, older dogs and anyone who can walk a minimum of 2 miles. The 5 mile walk is more challenging with some steep hills and small stiles to climb over. We therefore would recommend this route for dogs and people who feel physically fit and confident to walk the 5 miles.

If you or your dog have a medical condition which could be affected by exercise, please obtain your vets and/or doctor's approval before participation. If you are unsure of whether you and/or your dog are medically fit to take part, please consult your doctor and/or vet.

### On the day

The walk will be led by our event marshals and walkers will set off in groups in 5 minute waves. This is to ensure the safety of participants as the walk starts by a main road. Historically groups tend to disperse away from the event marshals and other walkers, therefore all walkers are provided with a map and the walk is signposted. There are several busy roads on the route which are not marshalled and therefore it is walker's responsibility to cross these safely. Humans must wear sensible footwear and take care at all times.

All walkers must bring a mobile phone with them on the day in case of an emergency. First Aid wardens will be based on the event field, and in case of a medical emergency will be sent out to help any walkers on route.

## **Entry fee**

The entry fee is £15 per dog plus a small online processing fee. There is no fee for human companions walking with a dog. If you are entering more than one dog it is £15 for the first dog, and £5 thereafter for each dog taking part.

The non-refundable entry fee is to cover the cost of administration and resources for the Wag Walk. To help rescue dogs even more why not get your dog to raise sponsorship, every pound raised will make a real difference to a rescue dog's life.

Signing up without dog: There is a small £5 fee for humans registering for the event without a dog. This is to cover the cost of resources for the Wag Walk.

Each dog entered into the Wag Walk will receive a 2019 Wag Walk doggie bandana on the day of the Wag Walk. The bandanas are attached by feeding your dog's collar through the bandana and they come in three sizes, small, medium and large. Small (to fit collar length up to 28.5cm, 3.5cm width), medium (to fit collar length up to 40.5cm, 4cm in width) and large (to fit collar length up to 51cm, 6cm in width). Please notify us which size bandana you would like upon sign up. Alternative sizes other than ordered won't be available.

## **Disclaimer**

You and your dog enter the wag walk at your own risk and should not take part unless medically fit to walk the 2 or 5 mile route. While all reasonable action has been taken by Bath Cats and Dogs Home to ensure the safety of participants, Bath Cats and Dogs Home cannot be held accountable for any injury, loss or damage sustained during this event.

Bath Cats and Dogs Home reserve the right to refuse or cancel applications, to alter the date of the event or order and details of the event programme. Please be advised if you are unable to attend the new event date, we are unable to refund your entry fee.

Bath Cats and Dogs Home may take photographs of the event and use them in publicity material including on its website. If you do not want your photograph to be used, please let us know in advance.

## **Wag Walk Checklist**
