

Donations being taken at the Home

Thank you SO MUCH for choosing us to donate to! We will need to handle, quarantine or wash items with the coronavirus in mind so we have a few requests to keep everyone safe...

DONATING FOOD & PET ITEMS

You can deliver these any day during the day at the Home, leaving them in the marked tubs in the car park.

We **DO NOT** take pillows or duvets.
We would **LOVE** towels and blankets!

We like to keep our cats and dogs on a regular diet as nutrition is very important to an animal's health and behaviour. The food we use is listed below.

DONATING FOR THE CHARITY SHOPS

To help with quarantine please donate items for the charity shops from Thursdays to Sundays – items go in the grey lockers.

We cannot take soft children's toys, or soft household items (bedding, throws etc.) for sale in the shops at the moment.
